Connoisseur-Class Spirit Collection

Vodka Boutique and Tasting Room - Frequently Asked Questions

What are the next steps to book my private event?

Upon approval of availability of your specific event date & time, a customized Glass Distillery Facility Rental contract will be forwarded to you. A non-refundable initial deposit of \$1,000, and a signed contract are required to officially confirm the event date.

How long do I have use of the Distillery space?

The Distillery space is valid for a 3-hour rental (not-inclusive of set-up and tear-down time). Additional time may be added to the venue rental at a rate of \$250 per hour, maximum 5 hours.

What decor and other supplies are provided with the Distillery rental?

Glass Distillery is pleased to supply complimentary votive / tea lights for clients, and has available the following food/beverage related supplies at no additional charge:

- 50 tasting glasses
- 36 red wine glasses
- 36 white wine glasses
- 36 full place settings
- 36 napkins / napkin holders
- 36 sets of silverware

Note: Glass does not carry linens in-stock for client use. Typically, the majority of our clients choose to forgo linens to better highlight the beautiful wood tones of our Distillery tables.

Do you have a list of preferred caterers?

Yes, Glass has a list of preferred caterers we are happy to recommend to clients, but ultimately we allow clients to bring in the caterer or chef of their choice for all food service needs. The Distillery space features a full catering kitchen on site – which makes food service, cooking demos and private chef dinners a convenient and easy process.

How does alcohol service work at the Distillery?

If you would like to arrange to offer beer/wine or other alcoholic beverages to your guests, Glass Distillery requires a Mast 12 bartender for bar service, and that Glass Distillery be listed as an additional insured. Bartenders can typically be arranged directly through the catering company or hired through an independent bartending service.

Can I serve a custom cocktail to my guests utilizing Glass Vodka?

Yes, you are welcome to arrange to purchase any Glass vodka products direct from the Distillery for your event. There are no minimum orders of products, simply use what you need and GD will bill you for product opened at the conclusion of your event. In addition, your guests are welcome to purchase bottles directly from the tasting room anytime during the course of your private event rental.

Will there be someone on-site at the venue to assist me?

Yes, as part of your rental agreement, Glass Distillery will provide an on-site contact to assist you the evening of your private event. They will be available to help with everything from music selection, lighting needs, wireless mic access, guest vodka tasting & tours, parking, tasting room sales, coat check and any other items that might help to ensure a smooth and elegant evening.

What parking is available for my guests?

Glass Distillery is pleased to offer complimentary parking for guests in the paved parking lot located just South of our main entrance, on the condition that your event date does not coincide with a scheduled sports game (Mariners, Sounders, Seahawks) or a scheduled concert at the SODO Showbox Venue. If your specific event date does conflict with an event scheduled above, the Private Events Manager is happy to work with you to coordinate parking in the parking lot for an additional fee.
