Glass Distillery Giving

Glass Distillery maintains a firm commitment to actively support the efforts of local non-profit organizations in their quest to fund vital services and research advancements in the areas of health & human services, arts and culture, and education in the Pacific Northwest community. To request a donation, please review the guidelines and criteria outlined below, and submit a Donation Request Form online to us at info@glassdistillery.com. All requests must be submitted in writing 4-6 weeks in advance of an event to allow for adequate review; phone and email solicitations are not accepted. You will be notified within (3) three weeks as to whether your donation request has been approved or denied. Donations are made in the form of discounted product and uniquely designed Glass Distillery sponsored auction packages; we can not offer monetary donations.

To be eligible for donations, organizations must meet the following criteria:

- Qualify for nonprofit status under the Internal Revenue Code
- Health or Human Services Organizations
- Arts & Culture Organizations
- Education Based Organizations - We can not support elementary or high-school fundraising auctions/events.

Exclusions:

- Organizations that discriminate on the basis of color, gender, race, age, sexual orientation, or religious beliefs
- Government Organizations
- Funds for Individuals
- Religious Organizations
- Political or Labor Organizations

Please Note: Due to the high volume of donation requests received, we are unable to make contributions to all the worthy non-profit organizations requesting support. If a specific donation request is denied, it is in no way a negative reflection on behalf of the organization/event
